

Why Shouldn't Shoes Be Beautiful

No woman wants a stodgy shoe with a dressy costume. The point is—when you buy for appearance, buy for tomorrow's appearance as well as today's.

Too often your so-called dressy shoe lacks distinction, or gives poor service, or is uncomfortable to wear. Remember, please, that every pair of Regal Shoes is entrusted with our reputation. We use only selected leathers of special tannage, and we develop the smartest models in lasts that give comfort on the foot.

For instance: note this new model, on our Vassar last—"long drawn out," with military heel—a shoe with winged tip effect—performances around vamp line and up row of eyelets—with vamp and top of Cordo Calf, the new leather with the stunning color of deep rich wine and the most attractive finish seen this year.

Or, if you like, of fine Black Calf, tanned by the French process. The price is \$7.

PARALYSIS CASE CLOSES MOUNT VERNON SCHOOL

Teacher Stricken, and Others, Together With Pupils, Are Under Quarantine.

MOUNT VERNON, N. Y., Oct. 20.—Public School No. 2, in Lincoln Avenue, Chester Hill, the exclusive residential section of Mount Vernon, has been closed by the local Board of

Health. Miss Mary Putnam, a teacher, is suffering from infantile paralysis.

The Board of Health also ordered all the pupils and the seven other teachers in the school placed under a two weeks' observation quarantine. The teachers were quarantined because they had attended a faculty meeting, at which Miss Putnam was present, only a short time before she was stricken. Miss Putnam, a high school teacher who lived at the same house, is also quarantined. Miss Putnam was taken ill last Monday and it was first thought she was suffering from the grip. She is now in the county isolation hospital at East View.

INTERVIEW.

Thomas Mott Osborne, former Warden of Sing Sing, "Well"

Reads of His Own Death. George E. Blackwell of No. 251 Boulevard, Jersey City, who is known as "the father of the Good Roads Bill," read with great interest yesterday his obituary in New York newspapers. He is in Christ Hospital, where he has been operated on for appendicitis. The surgeons said yesterday he was improving rapidly.

New Buyers For Lambert Jewelry

Among readers of this newspaper are more prospective buyers of Lambert Guaranteed Diamond, Platinum and Solid Gold Jewelry to-day than there were yesterday. Families who have just moved into New York apartments, some of them an easy walk from our modest store, will be glad to know where they can buy

Diamond Jewelry in all styles and always of the best workmanship; Solid Gold Jewelry, fresh and bright, largely from our own factory; Rings of every model, never forgetting the famous Lambert Seamless Solid Gold Wedding Rings; the best Watches, guaranteed by ourselves as well as by the makers.

We need say nothing to old customers beyond that we are prepared to give them even better service to-day than at any other time in our forty years of business life. Nobody pays middleman's profit in this store.

Only Way to Save on Diamonds
We look the diamond situation squarely in the face and we see no reason to expect a decline in prices. No new supply is in sight to meet the ever-spreading demand in this country for Fine Diamonds, artistically cut and mounted. Because of large spot-cash purchases and direct importations before the last advance in prices abroad we are able to supply

Solitaire Diamond Engagement Rings
at the very lowest prices—\$10.00 to \$1,500.00—that high-quality Diamonds can be sold for. All Diamonds we sell are mounted in our own factory over a stone where rent and "overhead" expenses are low so that moderate prices include all costs of operation and leaves a fair profit.

We Guarantee Solid Gold Wedding Rings
Every man who buys a Wedding Ring this Fall realizes the importance of getting as good a ring as human hands, assisted by special machinery, can make. So he ought to buy a Lambert Seamless Solid Gold Wedding Ring. Styles and shapes to suit everybody's taste. No charge for engraving.

Watches Carefully Chosen
Long and short hands on a watch are not more closely associated than the words "Lambert" and "Confidence" when watch-selection is in question. We have no time nor house-room to waste on inferior Watches, and we inspect even the products of the celebrated Waltham and other factories, to make sure that no faulty watch ever finds its way to the pocket of a Lambert customer.

Man's heavy solid 14-karat gold watch case, with full jeweled Waltham works, \$250.00. A large assortment of solid 14-karat gold watches from \$22.50 up.

Note: Our work in repairing watches is distinguished by skill, promptness and reasonable charges. We have our own watch makers right on the premises and every watch receives personal attention.

Octagonal solid 14-karat Gold Watch and solid 14-karat Gold Extension Bracelet and fine 15-jewel Swiss movement, \$28.00.

Signet Rings, Richly Carved
A Lambert Solid Gold Signet Ring, engraved with the wearer's monogram, gratifies the general fancy for jewelry that is personal, different from other people's belongings. Lambert Signets are carved, engraved or plain, as you please, \$2.50 up; with directly imported diamond, \$10.00 up.

New Life for Old Jewels
Old family jewelry in the hands of our designers is refashioned, modernized, at slight expense, and presents old associations under new forms. A good suggestion this for a wedding gift, don't you think? We repair and clean jewelry at moderate charges and relieve anxious minds by strengthening the settings of precious stones.
